Tall Texan Relies on Unwritten Law as Defense for Shooting Tap Booth Near Tempe in Early Morning Hours

#### FOLLOWED ENEMY THOUSAND MILES

Coolly Comes to Town and Voluntary Surrenders to Sheriff's Officers, Admitting Killing, Saving Deceased Wrecked Home

Offering the unwritten law as his only reason for deliberately shooting to death Tap Booth, near Tempe yesterday morning, Dr. L. E. Wiggins, age 37, physician of Joaquin, Texas, is in the county jail prepared to carry his case before a jury in the hope of winning his freedom,

Asked whether he believed a hushand had the right to take the life of the man who had destroyed the sanctity of his home, Dr. Wiggins, a tall man of good appearance, smiled through the bars of the county jail

"Well, I dunno," he replied. "Guess the people hereabouts can infer that

Dr. Wiggins declared that Booth broke up his home last October and then fled to Arizona.

"I had a young wife and a 4-yearold boy," said the physician. "I am separated from my wife now and the boy is with her. Practice? No I haven't practised my profession since this trouble started.

The killing of Tap Booth, foreman on a sugar beet ranch near Tempe. occurred at 5:10 o'clock yesterday morning. Booth, lying in his tent, asleep, was shot five times. It is believed the first shot proved fatal, yet after the victim had dropped from the bed to the floor on the side farthest from his slayer, Dr. Wig-gins leaned over and fired three

more bullets into the body. from their sleep by the sound of revolver shots, hastened towards Booth's tent. They found a calm ten paces from the tent. He was reloading his revolver.

"I got the man I wanted," said Dr. Phoenix. While officers were hastening to Tempe he drove back to the office of Sheriff Adams, laid his revolver on the table and asked to be WASHINGTON, April 8.-Unless placed under arrest after telling what he had done

Dr. Wiggins came to Phoenix about ten days ago. He rented a rig Tues the morning, he inquired of Booth's tent mate as to where his intended victim was sleeping. After entering the tent, he lit a match to make sure that he had found his man. Three times the physician callcan packers have for refrigerating ed Booth's name, but the man was space in steamships plying between fast asleep and did not answer. After calling the third time, Dr. Wiggins began to fire.

> time friends. Booth was the son of Texas.

Wiggins has practiced medicine in Texas five years. He is a member of the Odd Fellows. He graduated first idea of the department that the American companies had monopolized from the Memphis Hospital College in 1907.

Immediately after the shooting, the body was removed to the Carr un dertaking parlors where it viewed by the coroner's jury at ten o'clock. The jury found that death (Continued on Page Six.)

The department, however.

The anti-trust act could not reach According to these reports, there another country, although it could prevent a combination to monopolize
